

## CR Asia Group Quality Policy Statement

---

CR Asia recognizes the value of customer satisfaction in a competitive world. The major contribution to this satisfaction is made through the supply of products and services to an assured standard of safety, quality, timeliness and cost by risk based approach (thinking) taking into Consideration of needs and expectation of Interested Parties.

To achieve this objective, the management of CR Asia has committed itself to a quality assurance system based on the requirements of international standards.

The quality and reliability of our products and services is the responsibility of all employees. To this end, procedures covering all aspects of areas affecting quality will be developed and adhered to at all times.

CR Asia will adopt a philosophy of continual improvement so that the quality system will be an evolving and effective program.

The attainment of our quality objectives requires commitment from all staff. The outcome will be that CR Asia's reputation for delivery of high quality products and services will be enhanced.
